Marengo Community Development received a grant from the Iowa County Community Foundation to pay for half of the new Downtown Marengo Banners. These are the two designs replicating what the new banners look like. The banners were designed to pull in all aspects of our community, and we are hoping to liven things up with the fun color scheme.

JINGLE AROUND THE SQUARE

What an amazing night we had at Jingle Around the Square! We cannot thank everyone who came out to join in the fun enough. The biggest thanks to our wonderful businesses, volunteers, and sponsors who made this event such a success. We know that children will look back and have the fondest memories of Jingling Around the Square at Christmas time. So much love and joy go into this event. Thank you!

River Valley Family Chiropractic will be coming to Marengo in January 2024. Owner, Dr. Jesse Hynek, will evaluate and customize treatments to improve overall health and performance. His family-based practice will focus on patients ranging from infants to elderly. His focus will be to empower his patients to take charge of their own health naturally. Whether you are looking to improve your overall health or need help with an injury, Dr. Hynek is here to help! River Valley Family Chiropractic will be located at 116 1/2 E Washington St. His office will be behind Farm Bureau Financial Services and can be accessed in the same doorway as Stover Abstract. Keep your eyes open for updates on website, phone number, and hours.
