Dear Marengo Business,

Marengo Community Development has a vision for Marengo to be a model of success, a place where people come together and work together to enhance a standard of living that fosters all generations through opportunity, development, collaboration, and historic preservation. Marengo Community Development values each individual. Marengo Community Development's projects and events are coordinated to create a sense of place and to enhance the quality of life. We look to you as a business owner and friends to invest in the Marengo Community Development program to foster change and growth in our community. You can choose to support our program by becoming a member at one of the following levels: Merchant, Foundation, Cornerstone, or Pillar.

Your contribution will be used towards downtown beautification, historic preservation, daily operation of the non-profit, business retention and recruitment efforts, support for all Marengo businesses, housing development, events (examples: Fall Festival, Jingle Around the Square, July 3rd Celebration, Marengo Market, Classic Car Cruise), and more. We sincerely appreciate your support in making Marengo a vibrant, strong, and growing community. We value all volunteer efforts and financial support; at whatever level you can provide.

Sincerely,
Corienne Dally, MarenGO Program Director
Natasha Hauschilt, MarenGO President
